Dear Santa,

Stamping is something I LOVE to do,
So I've made a little wish list, just for you!
With rubber stamps in my hands & ink pads in the drawer,
The cards and gifts I create are ones you'll adore.
I think you'll agree, I've been a good girl this year,
And I'd really love to have some Stampin' Up! gear.
Clothes are nice and diamonds are too,
But is going to the mall what you really want to do?
If you listen to this subtle hint and suggestion,
You'll be able to avoid all the holiday congestion.
No need to leave the comfort of home,
Just contact my friend, Blythe, by email or phone.
She even has a website so you can order online –
You can do it whenever you find a spare moment of time.
Sit back, relax, and worry no more,
Blythe will even gift wrap, just like the store!
So look below to see my Stampin' Up! list,
Then call Blythe soon – she'll be delighted to assist!

Love,

My Stampin' Up! Wish List
